

“ Pet is very organized and detailed. He has created many successful internet marketing campaigns for our company.

Harry Galstian,  
President of Direct Tax Relief

“ I have known Pet for many years and I only have the highest praise as to his IT knowledge and professionalism. He always maintained our PC's and network running at their best and went beyond the call of duty. I HIGHLY recommend Pet!!

Michele Bouchard,  
Director at Metlang

“ Working with Pet was an absolute pleasure. He is intuitive and efficient. I would recommend Pet and his services to anyone who is looking to revamp/rebuild or create a new website. His knowledge of the field is exceptional and he is always prepared!

Meline Kervanbachian  
Business Partner at Idealam

“ Pet is knowledgeable, innovative and dedicated to his work. He takes initiative and seeks the best solution that fits your need; and thrives on positive feedback. If you are not knowledgeable in this field, yet have a vision, Pet is the person you can count on for the best outcome, and trust in his integrity to be honest and fair. You can place
